A WAY THEY HAVE.

What This Arcadia Citizen Says Only Corroborates the Story of Thousands.

The particulars related by this representative citizen of Arcadia are similar to hundreds of others in this city. When there are scores of people, all anxious to tell about the benefits received from the use of Doan's Kidney Pills, the greatest skeptic in Arcadia must be convinced. Read the following:

S. J. Shumons, Oak St., Arcadia, Fla., says: "Kidney disease clung to me for years, during which time I tried many remedies without being able to find one that would help me. My back ached constantly and often the pains were so severe that I could hardly get about. The secretions from my kidneys were unnatural in appearance and my condition caused me much worry. When a friend told me what Doan's Kidney Pills had done for him while suffering from a similar trouble, I procured a box at Harry Cross' drug store and began using them. The contents of this box gave me considerable relief and I procured another. Today I am without a sign of kidney disease and feel that I owe this great change to Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
